Oud Poelgeest

*Farewell*

# Farewell

*at the Oud Poelgeest Estate*

With the utmost respect and understanding, we can help to support you in providing a special memorial service. The Coach House and the Castle offer serene spaces ideally suited for a condolence or memorial service.

We only organise condolences without the deceased on the estate.

Our team will be happy to discuss our options with you.

**Because our castle has a historical character, accessibility for wheelchair users is limited in some places. To ensure that we can provide everyone with a comfortable experience, we kindly ask you to indicate at the time of booking if there are any disabled guests in your party. We are happy to plan ahead to make your visit as smooth as possible.**
